

Open Domain News

Spring 2023

Software Updates

CAD Manager improved web services.

What's new? We're going web.

- CAD Manager Service built to support web services.
- Improved ability to integrate with browser-based Enterprise Content Management systems.

New Support Ticket System

New ticket system for customers and partners.

Open Domain is now offering a new support ticket portal for Customers and Partners. Submit a ticket for:

- Technical support
- Licensing and billing
- Report a bug
- Suggest a new feature
- Suggest an improvement

[Contact us](#) to learn more about access to the [ticket portal](#).

Help us, help you! Provide [feedback](#) and let us know how we are doing and how we can improve.

You can download the upgrade from our app store at <https://support.opendomain.com>. Please contact us if you need login information.

Coming Soon...

CAD Manager for Cloud

CAD Manager 11 is in testing. This version makes use of web services based on the popular Rest API standard for communication with CAD Manager back-end services. This allows web-only operation and enables migration to the cloud.
